RF1420X1

Gastronorm Upright Freezer

Product Features

- Stainless steel cabinet
- Controller with Bluetooth and NFC connectivity
- HACCP compliant data export
- Ventilated cooling
- Self-closing doors
- Adjustable shelves GN2/1
- Maintenance free condenser
- Strong wheels
- Lock

Stainless steel freezer with two doors, ideal for commer

The RF1420X1 is an upright freezer made from durable SS304 stainless steel and robust wheels to ensure that it can withstand the conditions of a busy kitchen. It has a 64% lower energy consumption compared to the previous RF1420 model.
It has an efficient ventilated cooling system to ensure that content stays at its optimal storage temperature, and the temperature is easy to set on the digital controller. The controller has NFC connectivity and Bluetooth. This means that you via an app can control the lighting, check the temperature of the cabinet, and even export data for easy reporting. It comes with adjustable GN2/1 shelves and the doors have a 105 degree stop for easy access and loading.

Measures and Content		
Gross / Net Weight	kg	234 / 224
Net Volume	l	954
Gross Volume	l	1300
Gross / Net Volume	l	1300 / 954
Temperature Range	°C	-22 to -18
