Glass Door Merchandiser with Canopy

The CEV425CP provides a chilled display solution that helps to focus on the produce you are trying to sell. Twin vertical LED lights (set into the left and right hand side of the door frame) ensure clear and even illumination of the product inside the unit. A fan assisted cooling system ensures even cooling of the product and the LED light canopy is ideal for branding. Ideal for cafes, convenience stores, takeaways and coffee shops. The unit is also popular with drinks companies as it provides an excellent route to market with full branding.
