

NIC501SCEB

Sliding Curved Glass Lid Chest Freezer

Product Features

- Curved sliding lids
- Static cooling
- Lock
- Castors
- Digital temperature display
- Fan assisted condenser for energy efficiency
- Defrost drain

Chest freezer with curved sliding glass lids

The NIC-SCEB range comes with curved sliding lids that slope towards the front providing a better visual presentation of the produce to the customer. The unit comes with a full set of baskets, castors with locks, and a digital temperature display. The rounded top trim and curved corners make it popular with ice cream and frozen food companies for branding. The range of sizes makes it ideal for a variety of situations including cafes, small shops, convenience stores, delis and petrol stations.
