Product Features

- Castors with brake
- Curved sliding lids with lock
- Digital thermometer
- LED interior light
- Sloping display for excellent presentation
- Ideal for branding
- Includes full set of baskets
- Climate class 5 for high performance in warm surroundings

Chest freezer with curved sliding glass lids

The NIC-SCEB range comes with curved sliding lids that slope towards the front providing a better visual presentation of the produce to the customer. The unit comes with a full set of baskets, castors with locks, and a digital temperature display. The rounded top trim and curved corners make it popular with ice cream and frozen food companies for branding. The range of sizes makes it ideal for a variety of situations including cafés, small shops, convenience stores, delis and petrol stations.
