

TM44G-1

Minibar

Product Features

- Reversible glass door
- Flat integrated evaporator
- Silent running refrigeration system
- Low energy consumption
- Adjustable shelves
- Lock
- LED interior light

Black minibar fridge with glass door

The TM range of glass door minibars are very popular for hotel rooms and boardrooms. With a silent running refrigeration system, they won't keep you awake at night (or during board meetings). Units come with internal LED lighting that comes on when the door is opened. Please note these are not suitable for shops or other areas where there is high usage.

Measures and Content		
Temperature Range	°C	+5 to +14
Gross / Net Weight	kg	24 / 22
Gross / Net Volume	l	36 / 35
