The Bellini range is our premium cafe counter system designed and made in Portugal. The system allows you to create fast effective counter runs. Choose from different sizes of the refrigerated Bellini ID serveover (with or without refrigerated under storage), Bellini Tower an ambient cake/patisserie display and Bellini Table till counter. Units can simply be placed together to create the counter run you require. Cabinets are stocked in white with white marble serving shelf as standard. A range of other finishes are available as well as displays with bain maries, hot plates and saladette wells.
