- LED interior light
- Great branding possibilities
- Castors with brake
- Flat sliding glass lids with lock
- Accepts plastic napoli size tubs. Stainless napoli pans not required
- Storage under baskets
- Climate class 5 for high performance in warm surroundings

Scoop ice cream freezer with canopy

The IC-SC-SO canopy range from Tefcold is an ideal way to add scooping ice cream sales to your business even if you are on an budget. This is one of our most popular ranges. A curved glass canopy makes an attractive display for scooping tubs (Baskets which fit 5 litre tubs, with the option for 4 ltr baskets/tubs if required). Flat glass sliding lids (with lock) allow access to the ice cream for serving and help insulate the unit when not in use. There is plenty of storage underneath the tub frames for extra stock. The display comes on sturdy castors for easy movement and to allow cleaning underneath the unit. The range accepts plastic 5 litre napoli tubs (ones that fit inside 5ltr napoli pans). Stainless steel napoli pans are not required.
