

UFSC371G Black

Glass Door Display Freezer

Product Features

- Lock
- Fixed shelves
- Adjustable feet
- LED interior light with switch
- Digital temperature display
- Replaceable door gasket
- Heated glass door to prevent condensation
- Door not reversible
- Defrost drain

The TEFCOLD UFSC371G in black offers excellent product presentation for frozen food at a competitive price. The unit comes with a heated glass door to help prevent condensation while internal LED lighting highlights the product. The 6 fixed static cooled shelves feature an integrated evaporator to help maintain an even temperature over the whole cabinet. The unit comes with a defrost drain to help with maintenance. This unit replaces the UFSC370G Black
