Static Scoop Ice Cream Freezer

The ISOA scoop ice cream freezer provides a spacious, efficient option for showcasing your ice cream selection. Its simple design coupled with mobility on castors makes it an ideal choice for any ice cream shop or retail environment. You can easily enhance its clean design with custom branding to make the unit distinctive and draw attention to your rich variety of flavours. Equipped with a curved glass sneezeguard and internal LED lighting, the freezer ensures excellent product presentation. Meanwhile sliding lids help conserve energy during non-serving times. Specifically designed for efficiency, this static scoop ice cream freezer is optimised to accommodate baskets suitable for 5-litre plastic tubs, with an additional storage space underneath. These baskets are included, but note they are intended solely for 5-litre plastic tubs and are not compatible with Napoli tubs.
