

## SOCB12582A

Serve Over Counter

### Product Features

- Excellent product visibility
- 825 mm deep stainless steel deck
- Anti mist front glass
- Glass front opens forward for easy cleaning
- Stainless steel rear shelf
- Ventilated cooling
- Temperature Class 3M1
- LED top light
- 2 x 220V sockets to rear
- Can be multiplexed with kit (POA)
- Bumper bars

Ventilated serve over display counter

Discover our versatile SOCB range of deli serve overs, designed specifically for showcasing prepared meals, cheeses, and meats. With easy access to the open rear and a front glass that conveniently opens forward for cleaning, our serve overs are efficient and user-friendly. The spacious understorage with wide doors perfectly fits standard E2 vegetable crates. Personalize your display with optional accessories, including shelves, knife blocks, mobile plexiglass partitions, and a two-tier GN-pan holder. These units can be multiplexed for comprehensive counter solutions and come equipped with two 220V sockets. For custom orders to meet your specific temperature requirements, contact our sales team. Experience excellence in food display with our SOCB range.

### Measures and Content

|                    |                |           |
