Solid door refrigerator, stainless steel

The UR range of solid door refrigerators from TEFCOLD combines traditional reliability with sleek design. Each unit features an integrated handle and adjustable wire shelves holding up to 15 kg each, offering flexible storage. These classic fridges include fan-assisted cooling and a digital thermostat for easy temperature control. Note that this particular model is energy-optimized and the energy consumption is 50% lower than that of its predecessor.

Available in various colours and sizes, the UR range offers both solid and glass door models. For freezers, see our UF range.
