LGC5000

Display Cooler

Product Features

- LED illuminated canopy
- Fan assisted cooling
- Automatic defrost
- Self closing doors with stay open feature for easy loading
- Adjustable shelves
- LED interior light with switch
- Digital controller and temperature display
- Internal stainless steel base
- Castors and locking feet

Elegant display cooler with canopy

The LGC display cooler is designed to integrate effortlessly into your retail or catering setting. It features two vertical LED light strips on each door, which highlight the contents inside. Moreover, an LED illuminated canopy tops the unit, providing an outstanding opportunity for customized branding and promotional displays. The unit's interior base is manufactured from stainless steel and features curved corners to help with cleaning and hygiene. The carefully engineered refrigeration system is highly energy-efficient, reducing costs while maintaining the ideal temperature for product freshness. For added convenience, the unit includes castors, making it easy to move for cleaning and repositioning as needed.
