

## IC202SCE-SO

### Scoop Ice Cream Freezer

#### Product Features

- Curved glass canopy
- LED interior light
- Angled sliding lids with lock
- Great branding possibilities
- Castors with brake
- Storage under baskets
- Climate class 5 for high performance in warm surroundings
- Accepts plastic napoli size tubs. Stainless napoli pans not required

### Scoop ice cream freezer with canopy

The Tefcold IC-SCE + canopy range is an ideal way to add scooping ice cream sales to your business even if you are on a budget. This is one of our most popular ranges. A curved glass canopy with an attractive sloping display for scooping tubs means your customers get a good view of the ice cream in the unit (baskets which fit 5 litre tubs, with the option for 4 ltr baskets/tubs if required). Flat glass sliding lids (with lock) allow access to the ice cream for serving and help insulate the unit when not in use. There is plenty of storage underneath the tub frames for extra stock. The units come on sturdy castors for easy movement and to allow cleaning underneath the unit. An excellent reliable unit. The range accepts plastic 5 litre napoli tubs (ones that fit inside 5ltr napoli pans). Stainless steel napoli pans are not required.
