

FS1600H

Display Cooler

Product Features

- Improved product presentation
- 2 internal fans
- Less maintenance
- LED light in door frame
- Adjustable shelves
- Ventilated cooling
- Hinged alu-framed glass doors

3-door display cooler

FS1600H-P is a perfect choice for stores wanting to utilize their limited space best possible or wanting to reduce energy consumption compared to e.g. open front coolers.

The spiral maintenance free condenser improves the cooling performance together with 2-layered glass and 2 internal fans. It also saves energy and means the unit requires less maintenance.

Door glass, shelves, LED light in the doors and the finish in general has been improved in order to optimize the presentation of the displayed products.

You can for example have different shelf positions per door instead of one big shelf - this gives a more flexible product display.

Middle shelves are 535 mm wide. Side shelves in both sides are 465 mm wide.

Our 3-door cooler is well suited for e.g. supermarkets, convenience stores and gas stations, and the black design and improved finish also opens up the possibility for using the cooler in restaurants, cafés or bars.

FS1600H-P also comes in a version with canopy - FSC1600H-P.

Measures and Content

Gross / Net Weight	kg	211 / 206
Net Volume	l	825
Gross Volume	l	1329
Gross / Net Volume	l	1329 / 825
Temperature Range	°C	+2 to +10
Climate Class		4

Design and Material

Exterior Finish	White RAL9016	
Interior Finish	White painted steel	
No. of Doors	3	
Door No & Type	3 hinged self-closing glass doors	
Door Reversible	No	
No. of Shelves	pcs	15
Shelves No & Type	15 wire shelves white
