### Scoop ice cream freezer with serveover

The Mirabella scoop ice cream freezer is designed to draw customers in with its high-end finish and optimal product presentation. It holds the ice cream as high as possible in the display, making it easier for customers (especially children) to see the ice cream. It also ensures that the ice cream is visible from further away. At the back, the freezer holds a storage compartment, making it easy to access additional pans of the bestselling ice cream.
