Versatile chiller/freezer, designed to drive impulse sales

The UHD201 /Black stands out as a top choice for flexible refrigeration solutions in retail settings. Transition seamlessly from freezer to cooling functions depending on seasonal needs. With durable castors, relocating this unit within your store for product changes and promotions has never been simpler.

This impulse chiller/freezer provides generous storage capacity relative to its size, featuring glass on all sides and sliding lids for 360-degree optimal product visibility from all angles. Additionally, the mobilechiller/freezer's design allows for easy customisation and branding opportunities to enhance your store's visual identity and attract customers.
