

## VENERE NV

Glass Display Freezer or Chiller

### Product Features

- Freezer / Chiller
- Great product presentation
- Frameless glass door
- Triple glazed insulated glass
- Internal vertical LED light
- Adjustable shelves
- Fan assisted cooling
- Fully automatic
- Digital controller and temperature display
- Adjustable feet with rollers to rear

The Venere NV is a versatile display cabinet that can be set between +5 and -22 (so can be used as a chiller or freezer). The adjustability of the temperature allows a wider range of products to be displayed depending on seasonal variation and market trends.
