Remote Multideck

A highly useful remote multideck range that allows you to maximise your display space whilst reducing the impact of noise and heat. Available in 4 sizes. This unit is multiplexable with a kit, and allows you to create a larger display size. Trojans offer a large display area with high-capacity vertical merchandising, great for product presentation. Ideal for an extensive variety of chilled products with even temperature distribution across all shelf levels. Plus the LED illumination enhances the presentation of produce, whilst the energy-efficient operation and modular construction allows for seamless continuous line-ups. Please note this requires an additional remote refrigeration system. 2 year parts warranty only.
