

KBAK104PLUS

Chest Bottle Cooler

Product Features

- Low energy consumption
- Impressive storage space
- Removable top for easy loading
- Ideal for storing beer and soft drink crates
- Strong wheels
- Bumper bars
- Flat sliding solid lids
- Static cooling

Spacious chest cooler with strong wheels

This KBAK chest bottle cooler is extremely spacious, as the compressor compartment is placed below the cooling area rather than build into the side of the unit. This means that you can place several crates of beer or soft drinks directly on the bottom of the unit and stack them. Solid sliding lids provides easy access to the contents.

The KBAK chest cooler offers a perfect cooling solution for busy bars, venues, festivals, and events. The PLUS model comes with large, strong wheels for great mobility as well as bumper bars for higher protection. As an added feature, it is possible to take off the sliding lids and stack the coolers, when they are not running. This is very practical if you only need the coolers running during events and otherwise stored away.

Measures and Content

Gross / Net Weight	kg	60 / 52
Net Volume	l	250
Gross Volume	l	264
Gross / Net Volume	l	264 / 250
Temperature Range	°C	+1 to +8
Climate Class		4

Design and Material

Exterior Finish	White
Interior Finish	White
Number of lids	2
Lid No & Type	2 solid sliding lids
Castors	Wheels
Lock	Factory Option
Interior Light	No

Cooling and Functions

Type of Controller	Mechanical
Type of Cooling	Static
Type of Defrost	Manual
Refrigerant	R600a
Refrigerant Charge	g36
Thermometer	Yes

Power and Consumption

Energy Class		B
Max Ambient		+30°C, 55% RH
Energy Consumption	kWh/24h	0.54
Annual Energy Cons.	kWh/year	198
EEL	%	14
Power Supply		13 Amp
Input Power	W	190
Voltage / Frequency	V/Hz	220-240/50
Noise Level	dB(A)	45

Dimensions

External Dimension (WxDxH)	mm	1065 x 665 x 1060
Internal Dimension (WxDxH)	mm	900 x 500 x 555
Packed Dimension (WxDxH)	mm	1100 x 660 x 1060
40ft Container Load	pcs	72

Strong wheels for mobility

Bumper bars
