The TEFCOLD LGF range of glass door freezers gives you the option of matching single, double and triple door units (also with matching chiller versions). These robust cabinets come with some great features. Each door has two vertical LED light strips for excellent internal illumination and a large LED light canopy. The base inside the unit is stainless steel for easy cleaning. The carefully designed refrigeration system is energy efficient to keep running costs down. All units come fitted with castors so you can easily move the unit (for cleaning etc), but also with locking feet. All round a versatile quality unit at a great price ideal for frozen foods and ice cream.
