

UF400VGB

Glass Door Display Freezer

Product Features

- Heated glass to help prevent condensation
- Vertical LED interior light with switch
- Fully automatic, ventilated cooling
- Adjustable wire shelves
- Digital controller and temperature display
- Lock
- Adjustable feet

Black glass door display freezer

With a black interior and exterior, the UF400VG Black offers a sophisticated display of your frozen goods at a competitive price. It comes with an efficient ventilated cooling system, a digital thermostat and automatic defrost. The heated glass door prevents condensation, ensuring that your products remain clearly visible, while interior LED lighting and adjustable shelves further enhance the perfect product presentation.
