

SKB-MU 50 R

Machine Cooling Unit, Right

Product Features

- Electronic thermostat
- Ventilated cooling
- Plug-in solution

Plug-in cooling unit (right side installment)

This MU machine unit is for installation to the right side of your SKB cabinet from Serrco. The MU machine unit is an efficient plug-in cooling solution. Simply connect it to a socket and you are ready to go. It is suitable for all sizes of the SKB range, and for the SKB-8 and SKB-10 we will always recommend this model rather than the SKB-MU for top installment, as the SKB-MU 50 R has a larger capacity.

Measures and Content

Temperature Range	°C	+2 to +10
Climate Class		4
Gross / Net Volume	l	/
Gross / Net Weight	kg	46,5 / 44
