Strong castors

Easy access storage compartment

Indulging in ice cream or gelato is a treat for the senses, and at TEFCOLD, we understand that the visual appeal of your product is just as important as its flavour. The Bermuda View ice cream cabinet is designed to showcase your delicious ice cream or gelato like never before. Featuring a super low front glass, the Bermuda View provides a clear and enticing view of your ice cream to both adults and children, increasing the likelihood of a purchase. But it's not just about looks – the cabinet also boasts ventilated cooling, ensuring even temperature distribution throughout the display to maintain the quality and taste of your ice cream or gelato. For busy serving periods, the Bermuda View includes refrigerated under-storage, providing quick and easy access to back-up stock. It also comes with heated front glass to help prevent condensation, castors to help with moving the cabinet and internal LED lighting that beautifully illuminates your display. This versatile cabinet is the perfect solution for maximising sales to as many customers as possible. Choose the Bermuda View and give your customers an irresistible visual experience, while keeping your ice cream fresh and delicious.
