Remote Multideck

A great remote multideck option ideal for maximising your display space and product visibility whilst reducing the impact of heat and noise. Available in 4 sizes. This unit is multiplexable with a kit to allow you to create a larger display size. It requires an additional remote refrigeration system. Trojans offer a large display area with high-capacity vertical merchandising. Ideal for an extensive range of chilled products with even temperature distribution across all shelving levels. What's more, the LED illumination enhances product presentation, whilst the energy-efficient operation and modular construction allows for seamless continuous line-ups. 2 year parts warranty only.
