Black glass door merchandiser with left-hand hinged do

Designed to give a more premium feel for a display fridge, the CEV425 features a black interior and exterior. It has the benefit of twin vertical LED lighting (one strip down each side of the interior of the door frame), this gives excellent lighting to the front of the produce, while many cabinets light produce from the side or the top. Excellent for display of craft beers, ciders, sports and energy drinks setting your display apart from the rest.
