

LHF620SS (ECO DESIGN)

Solid Lid Chest Freezer

Product Features

- Stainless steel lid
- Static cooling
- Defrost drain
- Baskets
- Lock
- Thermometer

Solid Lid Chest Freezer

The LHF SS range of chest freezers offers an ideal storage solution, with a high quality stainless steel lid. With efficient energy use and a temperature range of -16 to -23 °C, this ensures your frozen goods remain in great condition. Equipped with a static cooling system and secure lock, it's easy to both access and maintain. Perfect for reducing operational costs while providing reliable frozen storage for your business. With stainless steel lid and defrost drain as well as additional product features.
