

ST701

Hinged Glass Lid Chest Freezer

Product Features

- Flat hinged glass lid
- Static cooling
- Castors
- Lock
- Digital temperature display
- Defrost drain

A quality and solidly built commercial display chest freezer from TEFCOLD. The ST range comes with a flat double-glazed glass hinged lid with a robust aluminium frame and lock. A hinged lid is often preferred as customers are less likely to leave the lid open compared to a sliding lid, reducing energy consumption and helping to stop ice forming in the freezer. The cabinet comes with castors fitted as standard. Available in 4 sizes to suit all situations. Ideal for smaller convenience stores, corner shops for storage of ice cream and frozen foods.

Measures and Content

Temperature Range	°C	-24 to -14
Climate Class		4
Gross / Net Weight	kg	109 / 103
Gross / Net Volume	l	670 / 620

Design and Material

Tempered glass		Yes
Max No. of Baskets	pcs	8
Castors		4 double castors
Exterior Finish		White
Interior Finish		White painted steel
