

TFW200F

Wine Cooler

Product Features

- Frameless glass door
- Single temperature zone
- Energy efficient cooling system
- Low noise level
- LED interior light with switch
- Reversible door
- Curved stainless steel handle
- Wooden shelves
- Presentation shelves available as option
- High/low temperature alarm

The TFW200 Frameless wine cabinet features a stylish edge to edge frameless glass door and is a great way to fit up to 48 wine bottle in an undercounter glass door cooler and have great looking display. Temperature can be adjusted to suit either white or red wines allowing you to keep them at a perfect ready to serve temperature. The sleek frameless door coupled with the black cabinet will look great in all modern bars and restaurants. Slide out wooden shelves allow easy selection of wine while LED lights helps to keep energy bills down. Glass is slightly tinted to protect wine from damage from harmful UV rays.
