Backbar Cooler

Product Features

- Double glazed tempered glass
- Ventilated cooling for fast pull-down and even temperature
- LED interior light
- Adjustable wire shelves
- Easy access electronic thermostat
- Automatic defrost
- Adjustable feet
- Lock

Backbar with double glass doors, hinged

Designed for busy bars, restaurants and cafés, this budget-friendly backbar cooler combines reliable performance with an attractive presentation. The black exterior and anthracite interior create a contemporary look, while bright LED lighting enhances the visibility of the drinks inside.

Flexible wire shelves can be repositioned to accommodate everything from cans to taller bottles. Their plastic-coated finish helps simplify cleaning and maintenance, making day-to-day operation easier for staff.

The ventilated cooling system quickly restores the set temperature after restocking and maintains an even temperature throughout the cabinet. An accessible electronic thermostat allows temperatures to be monitored and adjusted with ease.

Built for everyday commercial use, this backbar cooler is easy to operate, straightforward to clean and ideal for keeping service running efficiently during busy periods.

Measures and Content

Gross / Net Weight	kg	69 / 63
