The SCU1425 is a display refrigeration unit that offers high-quality at an affordable price. Being taller than a standard glass door fridge this provides extra storage inside, and well designed interior lighting (3 Led light strips) illuminates the product from the front. The black finish emphasizes the product and the "frameless" glass door creates a seamless finish. Fan assisted cooling ensures even cooling throughout the cabinet and a faster pull-down time when re-stocked. This display cooler is designed to maximise display space, make your product stand out and draw attention to what's inside.
