Static scoop ice cream freezer

The IDA scoop ice cream freezer offers a spacious and efficient solution for displaying ice cream. Its straightforward design and mobility on castors make it a great addition to any ice cream parlor or retail store. You can transform the clean design with customized branding, making the unit stand out and attract attention to your variety of flavors. The freezer features a curved glass sneeze guard and internal LED lighting to ensure a great product presentation, while sliding lids help save energy when not serving.

The static scoop ice cream freezer is optimized for baskets suitable for 5 l plastic tubs with room for storage underneath. Be aware that they are suitable for 5 l plastic tubs – Napoli pans will not fit in there. The baskets are not included, but can be ordered as accessories.

Ideal baskets for scoop ice:

2 x item no. 71975 + 1 x 69966 (14 x 5L + 2 x 2,5L)

The IDA range was previously named ISOA - nothing has changed except for the naming.
