TEFCOLD freezer rooms are a perfect plug-in solution with quick and easy assemble.

The cooling units comes completely pre-mounted on a panel and does not require extra expert knowledge. There is no need for cutting or drilling during assembly. TThis model has a 850 mm wide door for easy access.

The freezer room can be used in both restaurants, delis, cafes etc. They are a great way to create optimal and efficient cooling space at a very affordable price.

We offer a selection of sizes to fit most situations. The rooms are available as both cooler and freezer options and shelving is available as an option. A ramp is also available as an option to provide easy access with lightweight trolleys and bakery racks (the freezer room is not suitable for pallet jacks/pallet trucks).

Our range of cold rooms and freezer rooms have a low energy consumption due to the effective polyurethane insulation in the panels combined with an energy efficient cooling system.

Not suitable for outdoor use.
