Static Scoop Ice Cream Freezer

The NIC-SC-SO ice cream freezer offers an elegant design at an affordable price. The rounded top trim and curved corners make it popular with ice cream vendors for branding. Flat sliding lids helps keep the energy consumption to a minimum when not serving. The interior LED lighting in the front illuminates your ice cream flavours nicely, while the curved glass canopy offers hygienic protection. The NIC-SC-SO comes with strong castors for mobility.

Be aware that the freezer comes with standard retail baskets. Baskets suitable for 5-litre or Napoli size ice cream tubs are available as an option. Type and number must be ordered under accessories. These baskets are suitable for 5 l plastic tubs - Napoli pans will not fit in there.
