

UDB-F500V-WW1

Glass Door Display Freezer

Product Features

- Integrated handle
- Internal LED light
- Adjustable shelves
- Ventilated cooling
- More colour options available

Counter Top Display Freezer

The UDB range of glass door countertop freezers offers a contemporary design at an affordable price. The adjustable shelves offer flexibility for different product ranges, and with LED lighting and a heated glass door, your products are always beautifully displayed. The efficient ventilated cooling system ensures an even temperature distribution throughout the cabinet and the temperature is easy to set on the digital controller.
