

MILLENNIUM LX220 PAS

Serve Over Counter for Patisserie

Product Features

- Fully automatic
- Fan assisted cooling
- LED interior lighting (under canopy and each shelf)
- Heated glass to help prevent condensation
- Heated doubled glazed side glass to prevent misting
- Digital controller and temperature display
- Night blind / Curtain
- Stainless rear shelf and deck
- Castors, 2 lockable

The new Millennium Pastry from ISA builds on its class leading popularity bringing a strong and minimalist design for modern and contemporary environments. The clean lines of this popular display are ideal for presenting your very best products. A generous refrigerated display deck is complemented by 2 ambient shelves (each with under-shelf lighting) enabling you to maximise display space and sales. The unit comes fitted with large durable, lockable castors for moving the cabinet, together with hinged glass to give easier access for cleaning and keeping your display looking perfect. Available with curved glass (LX) or flat glass (ST) options. There is also a matching ice cream/gelato display to complement the PAS version.
