- Reversible door (spare parts needed)
- Adjustable feet with rollers to rear

### Energy-efficient glass door chiller

Designed to give a more premium feel for a display fridge, the CEV435 is the more energy efficient version of the CEV425. It features a black interior and exterior. It has the benefit of twin vertical LED lighting (one strip down each side of the interior of the door frame), this gives excellent lighting to the front of the produce, while many cabinets light produce from the side or the top. Excellent for display of craft beers, ciders, sports and energy drinks setting your display apart from the rest.

#### Measures and Content
