

CK7210X1SP

Counter Cooler GN1/1

Product Features

- Stainless steel
- Controller with Bluetooth and NFC connectivity
- HACCP compliant data export
- Self-closing doors
- Ventilated cooling
- Automatic defrost
- Adjustable legs
- 1/2 and 1/3 drawers as option

Stainless steel counter cooler with GN1/1 shelves

The CK7210X1SP is an energy-efficient counter cooler for professional settings. It has a 48% lower energy consumption compared to the previous CK7210 model.

The CK counter cooler is made for professional kitchens, and it offers an ideal solution for keeping ingredients chilled and within easy reach during service. It is made from durable SS304 stainless steel and features automatic defrost and GN1/1 dimensioned shelves for easy cleaning and smooth workflows. The legs are adjustable so it is possible to adapt the height of the table to your needs.

Its ventilated cooling system keeps contents at a consistent temperature, and the electronic controller makes it easy to adjust the temperature to fit your ingredients. The controller has Bluetooth and NFC-connectivity. This means that you via an app can control the lighting, keep an eye of the temperature of the cabinet, and even export data for easy reporting. The CK counter cooler makes an excellent addition to any professional kitchen.

Measures and Content
