

ODC90

Low open front

Product Features

- Ideal for impulse sales at the cash desk
- Ventilated cooling
- Night blind / Curtain with soft release
- Adjustable shelves with tilting function
- LED interior light
- Black exterior

Low open front display cooler in black

The ODC-range is our new low open front multideck range. It is display coolers ideal for impulse sales in supermarkets, convenience stores and shops, where there is limited space. Sides are in glass in order to maximise the product visibility. Exterior is otherwise black - interior and shelves are white. Shelves can be tilted for better product display and visibility. A soft open night curtain makes sure energy is saved when the store is closed.
