

J7E

Scoop Ice Cream Display

Product Features

- Fully automatic
- Static cooling
- Castors
- Interior light with switch
- Digital controller and temperature display
- Lift up rear door
- Accepts Napoli pans (not supplied)
- Easy access understorage
- Curved glass canopy
- Optional scoop wash

Our favourite ice cream scooping display. The J-Range from Framec is really popular in the ice cream world giving both superb quality and excellent value for money. The unit looks great with its curved glass canopy, curved in corners and rounded edges. A handy rear shelf helps with serving ice cream and spacious refrigerated understorage is easily accessible through the rear door. A reliable and well built ice cream display that will give years of excellent service.
