

## SK6210

### Slimline Counter Cooler

#### Product Features

- Stainless steel 304
- Ventilated cooling
- Automatic defrost
- Self-closing doors
- Removable table top
- Adjustable legs
- Castors optional

The TEFCOLD SK range of stainless steel refrigerated counters offer a versatile food preparation station with easy access to refrigerated storage. Available in either 2 or 3 door variants, the range is designed to be 600mm deep to offer flexibility for smaller kitchens and areas with limited space. The SK range comes with adjustable feet as standard, with castors available as an option. Manufactured in high quality 304 stainless steel and suitable for fresh meat, the SK range shares the same premium features as the CK range.
