

BA11H

Back Bar Cooler

Product Features

- EU Energy Class A
- Approx. 59% more energy efficient than previous BA-range
- Double glazed tempered glass
- Reversible glass door
- Ventilated cooling for fast pull-down and even temperature
- Easy access electronic thermostat
- Adjustable shelves
- LED interior light
- Lock

High-quality backbar with low energy consumption

The BA11H has an impressive EU Energy Class A rating, this cooler sets a new standard in efficiency, surpassing its predecessors by approximately 59%. The double-glazed tempered glass and reversible door not only enhance energy savings but also provide exceptional product visibility.

The Back Bar Cooler is equipped with ventilated cooling technology, ensuring swift pull-down and consistent temperatures, catering perfectly to the demand for chilled beverages in fast-paced hospitality environments. Easily adjust the temperature with the convenient electronic thermostat and make use of the adjustable shelves for customisable storage. The LED interior light illuminates your selection, while the added security of a lock provides peace of mind.
