

PDC90SL-2

Black impulse cooler

Product Features

- Sliding glass lids
- Plexi glass sides for great product visibility
- Impressive storage space
- Optimized airflow for stable temperature
- Strong wheels for mobility
- Bumper bars on 4 sides

Black impulse cooler (island cooler)

Medium sized black impulse cooler ideal as island cooler. Product visibility is great - all sides are plexiglass - plus it has a high loading line compared to many other similar units. The PDC range is great for supermarkets, gas stations, convenience stores and cafeterias for e.g berries, fruit, vegetables, sandwiches or other take away. It has stainless steel bumper bars as standard for protection and easy handling of the cooling unit. Moving it around on the solid castors is easy, so it can easily be moved to a different location in the store. Cooling is ventilated. Guided airflow makes an even distribution of the cooling effect.

Measures and Content

Total Display Area	m ²	0.67
Temperature Range	°C	-1 to +5
Climate Class		3
Gross / Net Weight	kg	152 / 105
Gross Volume	l	153
Gross / Net Volume	l	153 / 105

Design and Material

Lid No & Type	2 flat sliding glass lids	
Castors	4 castors	
Exterior Finish	Black	
Interior Finish	Stainless steel	
Interior Light	No	
Lock	No	

Cooling and Functions

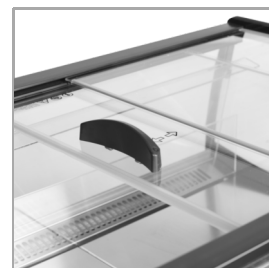

Type of Controller	Electronic	
Type of Cooling	Ventilated	
Type of Defrost	Automatic	
Refrigerant	R290	
Refrigerant Charge	g	145
Thermometer	Yes	

Power and Consumption

Energy Class	E	
Max Ambient	25°C at 60% RH	
Energy Consumption	kWh/24h	4.61
Annual Energy Cons.	kWh/year	1682.8
Power	13 Amp	
Input Power	W	750
Voltage / Frequency	V/Hz	220-240/50
Noise Level	dB(A)	50

Dimensions

Internal Dimension (WxDxH)	mm	860 x 555 x 220
External Dimension (WxDxH)	mm	900 x 845 x 971
Packed Dimension (WxDxH)	mm	930 x 885 x 1185
40ft Container Load	pcs	52

Sliding glass lids

Bumper bars
