- Defrost drain
- Accepts plastic napoli size tubs. Stainless napoli pans not required

Ice Cream Scoop display with Baskets and Canopy

The IC400SC offers a range of features that make it a must-have for your business. With its static cooling system, your ice cream will be kept at the ideal temperature for serving customers. The castors and lock make it easy to move and store, while the digital temperature display ensures precise control. The flat sliding lids offer convenience while the energy efficiency is enhanced with the fan assisted condenser. With a curved glass canopy providing easy access and product visibility, the IC400SC is perfect for any ice cream parlour. The built-in defrost drain and storage under the tubs makes for easy cleaning and maintenance. Plus, no need for stainless Napoli pans as this unit accepts plastic Napoli size tubs.
