Wine cooler with stainless steel door frame

The slim compact design of the TFW100S lets you store up to 19 wine bottles perfectly chilled in such a small area. Temperature can be adjusted to suit either white or red wines allowing you to keep them at a perfect ready to serve temperature. The sleek stainless steel door frame and handle coupled with the black interior will look great in all modern bars and restaurants. Slide out wooden shelves allow easy selection of wine while LED lights helps to keep energy costs down.
