

TM55

Minibar Cooler

Product Features

- Absorption operated cooling system
- Flat integrated evaporator
- Silent operation
- Low energy consumption
- Reversible solid door
- Adjustable shelves, also in door
- LED interior light
- Lock

Silent minibar for hotels

With the TM minibar, your guests can always get a good night's sleep. It has a silent running absorption cooling system classified as 0 dB(A), meaning no disturbance. The minibar has an elegant design with a black exterior and an anthracite interior, which gives that high-end feel. It has internal LED lighting, which turns on when the door is opened. The cabinet can be fully integrated into the existing décor with a build-in bracket and hinge fixation kit, which allows a joint opening of the cupboard- and minibar door. A hinge fixation kit also secures the stability of the cooler and prevents it from tipping and sliding forward.

Measures and Content

Temperature Range	°C	0 to +10
Gross / Net Weight	kg	23 / 20
Gross Volume	l	44
Gross / Net Volume	l	44 / 41

Design and Material

Door No & Type		1 hinged solid door
Door Reversible		Yes
Shelves No & Type		3 wire shelves black
Shelf Dimensions		322x145
Feet / Legs		4 adjustable feet
Exterior Finish		Black
Interior Finish		ABS, RAL7005
