Super market display freezer headcase

Crafted for the design of eye-catching island displays, the VIEW HC headcase perfectly complements the VIEW 250 CF VS supermarket chiller/freezer. This dynamic appliance offers outstanding adaptability, functioning as both a chiller or freezer within a single unit. Swift transitioning between cooling and freezing functions is effortlessly accomplished through a simple temperature adjustment on the display controller. This flexibility is ideal for retailers needing to alter their product offerings in line with seasonal variations. Further enhancing its impressive features, the VIEW HC unit comes equipped with a variable speed compressor and triple glazed glass on its sides and front. This thoughtful design lends itself to increased energy efficiency—an essential consideration in today's regulated industry.
