- Digital controller and temperature display
- Can be multiplexed with kit (POA)
- EPOS Ticket strips & shelf risers
- Extraction rate 650w/per metre
- Fully automatic, fan assisted cooling

Remote Multideck - Extended Height

A great remote multideck option at an extended height is ideal for maximising your display space and product visibility whilst reducing the impact of heat and noise. Available in 4 sizes. This unit is multiplexable with a kit to allow you to create a bigger display size. It requires an additional remote refrigeration system. Trojans offers a large display area with high-capacity vertical merchandising. Ideal for an extensive range of chilled products with even temperature distribution across all shelving levels. What's more the LED illumination enhances product presentation, whilst the energy-efficient operation and modular construction allows for seamless continuous line-ups. 2 year parts warranty only.
