

Galaxy+ GP26 SS

Multideck

Product Features

- Fully automatic, fan assisted cooling
- Horizontal LED lighting
- Solid 40 mm endwalls with mirrored interior
- Soft closing nightblind
- 5 Adjustable shelves, max weight 160kg/sq metre
- Shelves can be flat or angled to 7° or 14°
- EPOS Ticket strips & shelf risers
- Suitable for fresh meat
- Can be multiplexed with kit (POA)

Stainless Steel Multideck

The TEFCOLD Galaxy+ range, finished in mirror stainless steel: our latest innovation in plug-in multidecks. We've combined an expanded display area and optimised cabinet efficiency. The ultra-low front and slim top canopy provide an extra 100mm of internal height, accommodating up to 5 shelves (plus base) as standard, all while maintaining an overall height of just 2040mm. With a depth of only 740mm, the unit fits through standard doors for easy installation, yet has 400mm deep shelves for maximum stock capacity. Each unit comes with heavy-duty adjustable shelves that can be tilted if needed, as well as EPOS ticket strips and shelf risers as standard. Optional extras include glass end-walls and multiplexing kits.

Measures and Content

| | | |
|--------------------|----------------|-------------|
| Total Display Area | m ² | 3.83 |
| Temperature Range | °C | -1 to +5 |
| Climate Class | | 3 |
| Gross / Net Weight | kg | 460 / 430 |
| Gross / Net Volume | l | 2887 / 1258 |

Design and Material
