

LHF460SS (ECO DESIGN)

Solid Lid Chest Freezer

Product Features

- Stainless steel lid
- Static cooling
- Defrost drain
- Baskets
- Lock
- Thermometer

Solid Lid Chest Freezer

The LHF SS range of chest freezers offers good storage and comes with a high quality stainless steel lid. With efficient energy use and a temperature range of -16 to -23 °C, this ensures your goods remain beautifully frozen. Equipped with a static cooling system and secure lock, it's easily accessible including for maintenance. It's ideal for reducing operational costs while also providing reliable frozen storage for your business needs. Coming with stainless steel lid and defrost drain alongside additional product features.
