

## NIC301SCEB

### Sliding Curved Glass Lid Chest Freezer

#### Product Features

- Sloping display for excellent presentation
- Includes full set of baskets
- Curved sliding lids with lock
- Great branding possibilities
- Digital thermometer
- Powder coated white steel inner liner
- Castors with brake

The NIC-SCEB range comes with curved sliding lids that slope towards the front providing a better visual presentation of the produce to the customer. The unit comes with a full set of baskets, castors with locks, and a digital temperature display. The rounded top trim and curved corners make it popular with ice cream and frozen food companies for branding. The range of sizes makes it ideal for a variety of situations including cafes, small shops, convenience stores, delis and petrol stations.
